Main Menu Screen

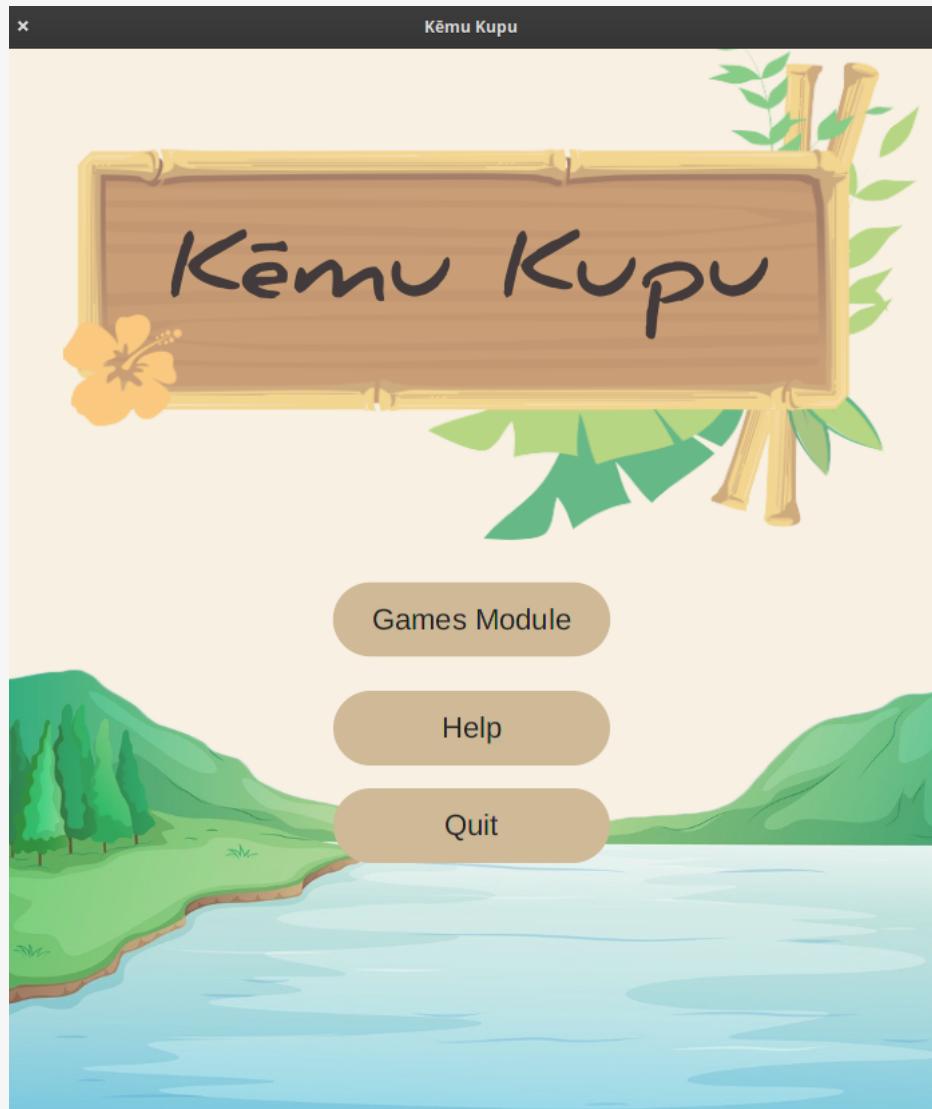

Figure 17: Main Menu Screen

The entry point of the Kēmu Kupu application is the main menu screen (shown in figure 1 above), which contains two buttons that can be pressed.

- The **Games Module** button when pressed takes you to the selection screen allowing the user to select a category and begin the quiz.
- The **Help** button when pressed takes you to the user manual which tells you all the instructions about the game.
- The **Quit** button exits the application for you, which can also be carried out by pressing the top left exit button.

Games Module Screen

Figure 18: Games Module Screen

In the Games Module screen, you can begin the selection of the category that you want to be tested on by pressing the dropdown menu and selecting your favourite category.

- There is an option to select the **Mode** of the quiz either to practice or quiz mode depending on what you would like to do.

After the category and the mode has been selected the **Begin Quiz** button can be pressed to take you to the next screen.

Quiz Screen

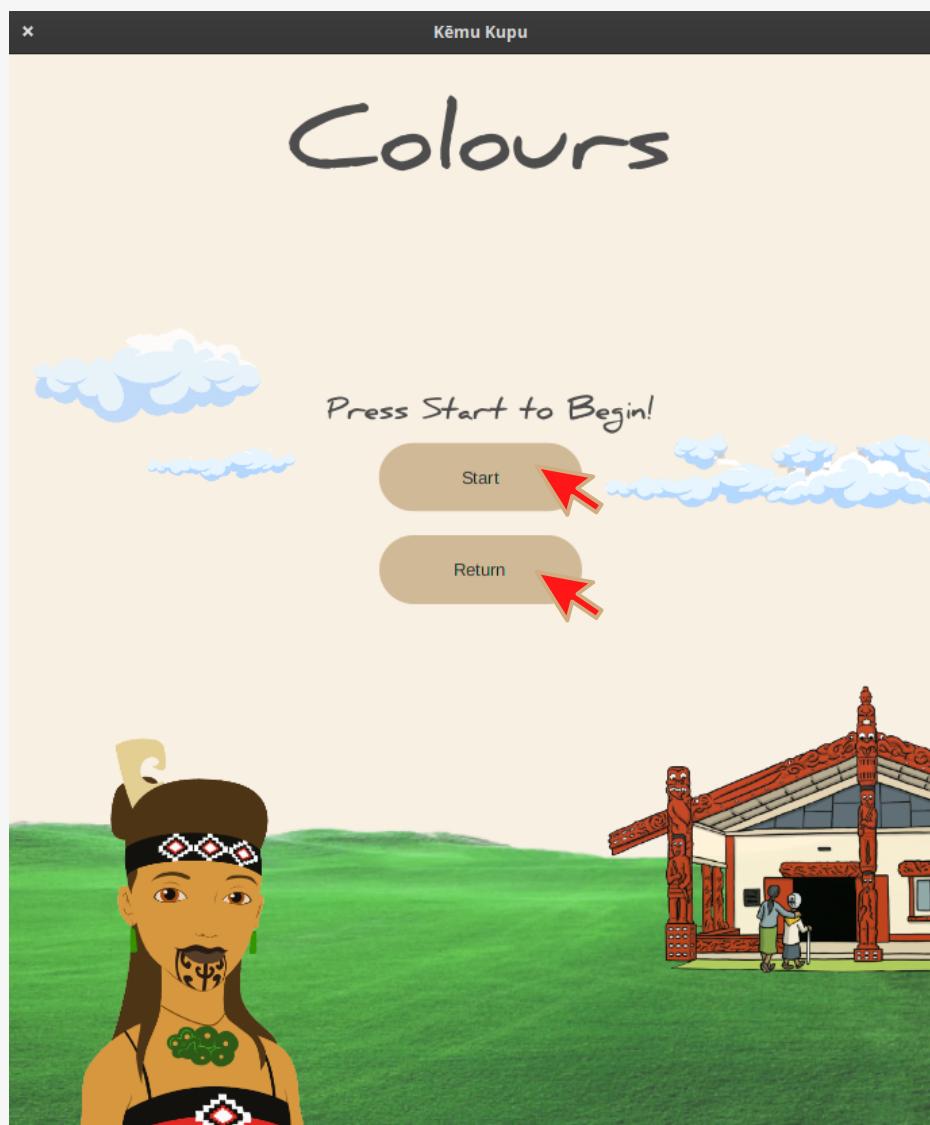

Figure 19: Quiz Screen

On the games screen (shown in Figure 18 above), you can start the game whenever you are ready.

- Press the **Start Game** button to begin the game.
- Press the **Return** button to go back to the games module screen to select a different category.

When the start game button is press it will take you to the next screen mentioned below.

Quiz Gameplay

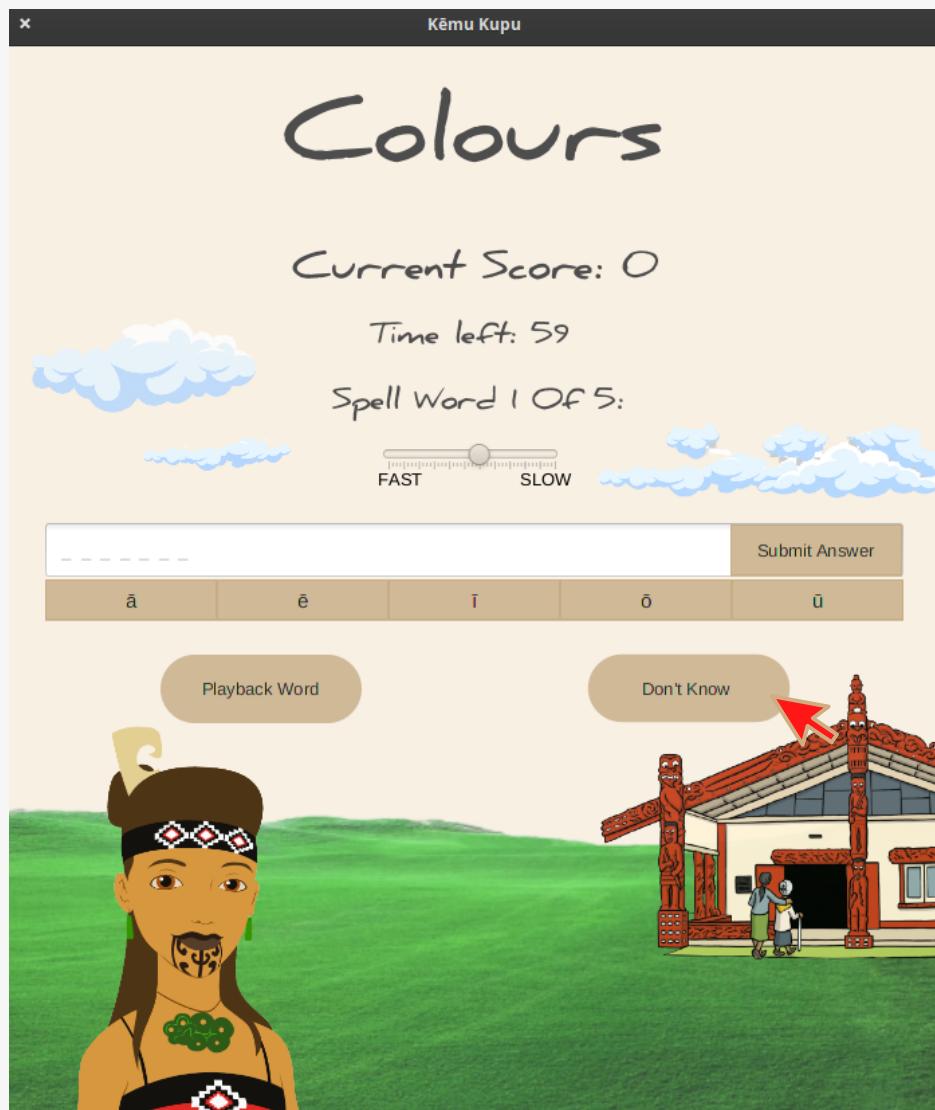

Figure 20: Quiz Gameplay

1. Once you hear the word from the Māori text to speech, you can enter your spelling of the word into the input box.
2. If you didn't hear the word correctly, you can press the **Playback** button to replay the word as many times as you want.
3. In the event of you not knowing how to spell the word you can skip the word by pressing the **Don't Know** button.
4. To input the correct Māori macrons there are buttons underneath the input box that can be clicked to input the specific macrons.

Quiz Next Word

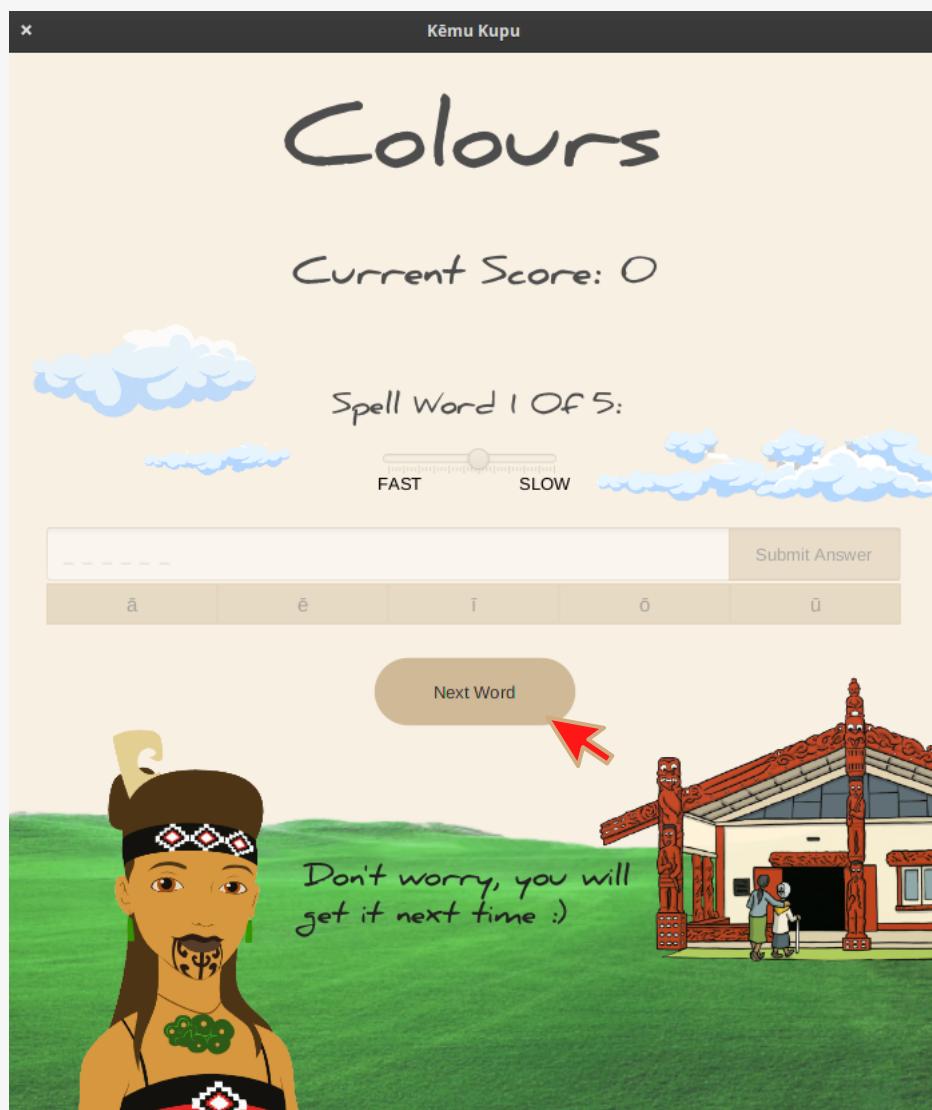

Figure 21: Quiz Next Word

5. After you have finished all your attempts on the current word, or skipped the word you will be taken to this screen shown above allows you to proceed onto the next word when ready.
6. The quiz will proceed until all of the designated words for that quiz has been tested and after you will be taken to a screen that shows the words that have been spelt correctly and incorrect. (Figure 21 below).
7. There is also a given timer in the quiz mode which gives you 60 seconds to type in the spelling of

Quiz Speed Toggle

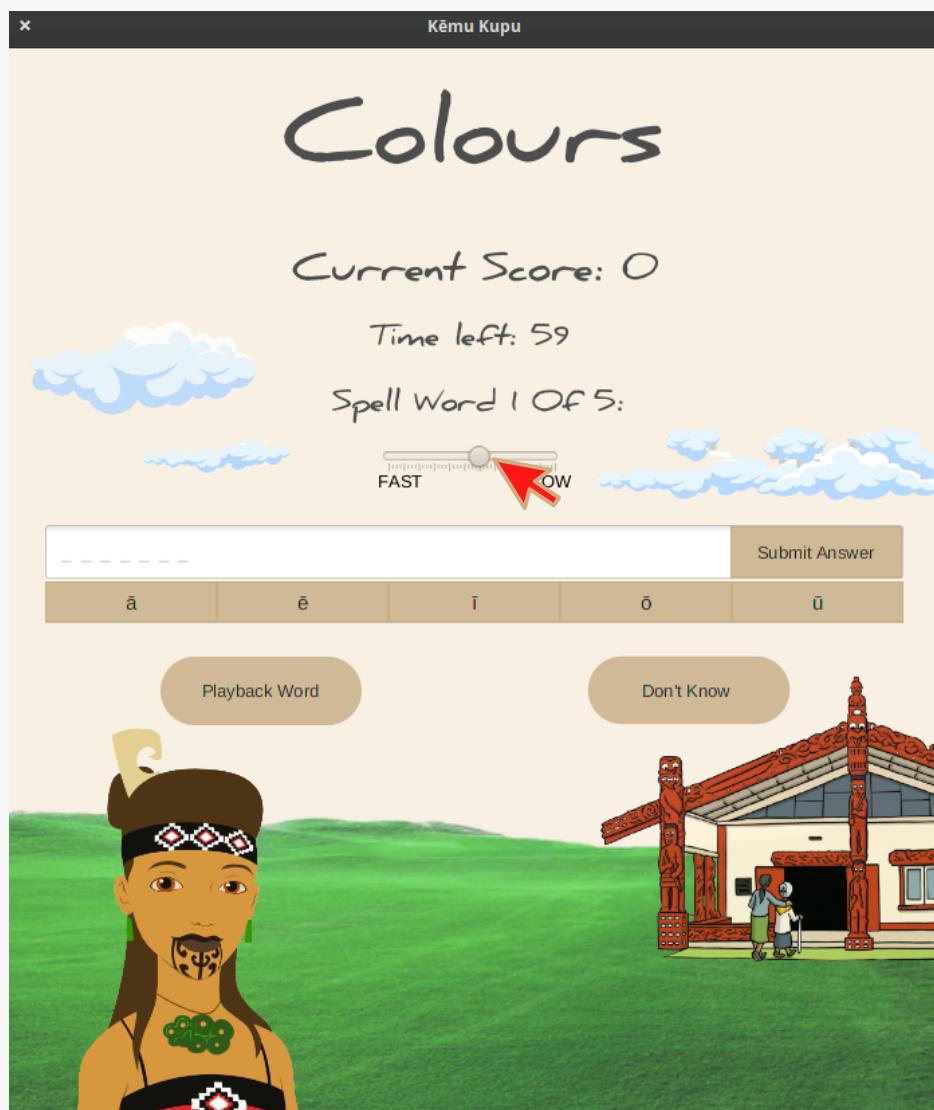

Figure 22: Quiz Speed Toggle

There is also an option for a speed toggle for the speed of the text to speech if you are finding it hard to understand what the text to speech is saying.

To change the speed of the text to speech all you have to do is drag the slider to the designated location.

The left side of the slider --> Faster text to speech

The right side of the slider --> Slower text to speech

Practice Mode

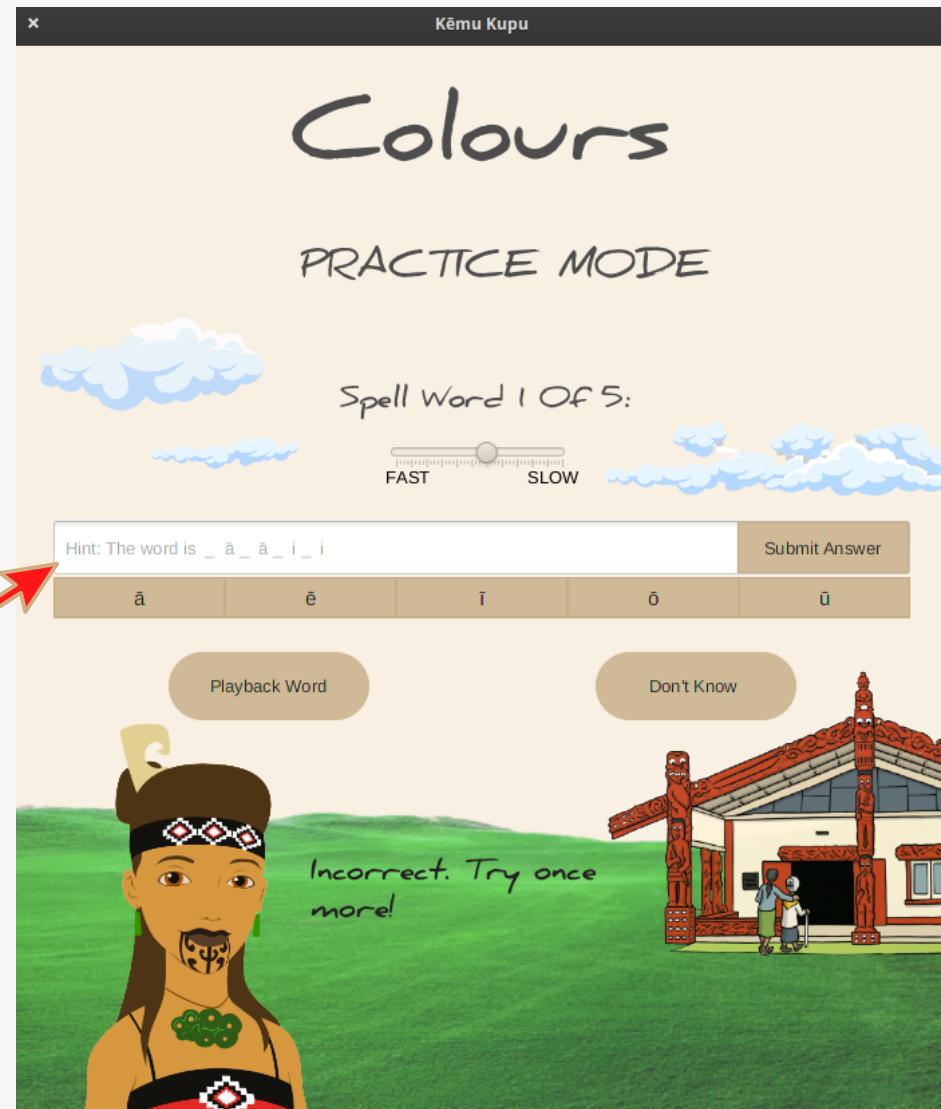

Figure 23: Practice Mode Screen

The Practice Mode is almost identical to the quiz mode however in the case when a word is spelt wrong for the first attempt the hint that is given will provide more letters of the current word.

If the word is spelt wrong twice then you will be given the correct spelt word at the top of the screen.

Practice Mode Answer

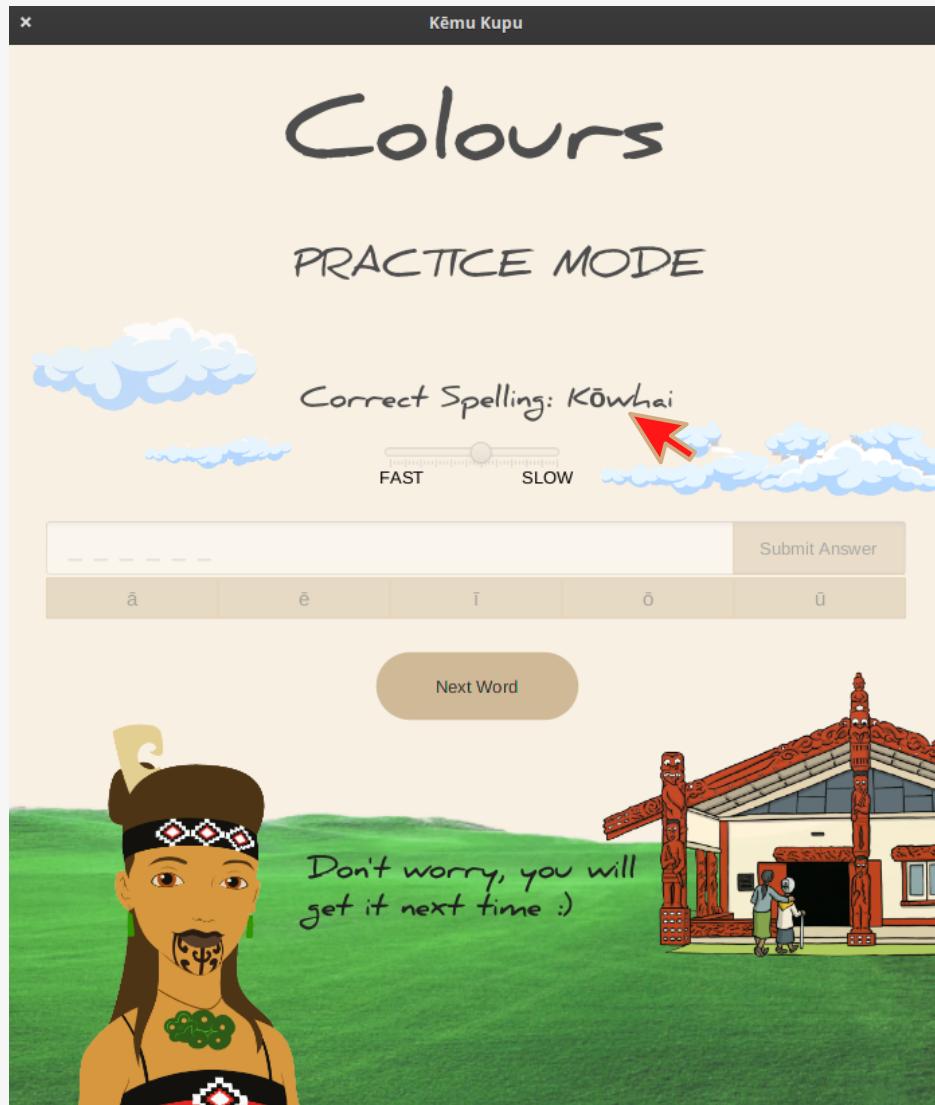

Figure 24: Practice Mode Answer

If the word is spelt wrong twice then you will be given the correct spelt word at the top of the screen.

Results Screen

Figure 25: Results Screen

The results screen will display the results of the quiz that you had just completed, with the words you have spelt correctly with a tick and the words you spelt incorrectly with a cross(shown in Figure 22 above).

To see the reward you have gotten for this quiz you will press the **Reward** button and it will take you to the rewards screen.

Rewards Screen

Figure 26: Reward Screen

At the end of the quiz, you are treated to the rewards screen where there will be a specific type of kiwi with an encouraging message for the next time you attempt the quiz.

There are multiple different types of kiwi rewards that you will be able to obtain depending on the score that you have gotten which is why you should strive for a better score with the goal of improving and getting a better reward.
